## **objective:**

A position as a graphic designer at a respected company.

## **summary of qualifications:**

4 years experience as senior graphic designer. Demonstrated ability to produce a wide range of graphic products including corporate identities, magazines, billboards, brochures, advertisements, CD covers, packaging design as well as motion graphics. Proficient in Adobe CS: InDesign, Photoshop and Acrobat, skilled with Illustrator, Dreamweaver and experienced in Adobe After Effects, Encore, Maxon Cinema 4D and also in MS Office: Word, Excel and Powerpoint. Experienced in using both Mac and PC platforms. Creative, persistent and reliable to produce high quality results.

## **related experience:**

### **graphic design**

Created a style guide and various press materials for the 'Three Rivers Bike Route', a project funded by European Union's INTERREG IIIA programme. Designed Annual Reports, DM mass mailings for the company DDGAZ, affiliate of Ruhrgas European gas supplier. Creative campaigns for a regional bank in Hungary.

### **desktop publishing**

Various booklets, flyers and magazine ads for 'Fitness Trade', the Hungarian retailer of Polar, Life Fitness, Spinning and other fitness related companies. Layouts for 'E.ON World', an internal company magazine of E.ON Hungary. Logotype, layout and magazine covers for 'Fitness&Science'. Created an exclusive cookbook for the largest spice manufacturer of Hungary called ProFood. Brochures, folders, display and other printed materials for the South Transdanubian Regional Development Agency.

### **web design**

Commercial web page designs. Animated flash banners utilizing flash video technology.

## **motion graphics**

Broadcast animations for DVDs and TV commercials - an example of this is a sponsor's ad that was aired in a reality show on the Hungarian commercial TV (RTL Klub). DVD authoring projects - one example was a multi-language introductory DVD with motion menu, produced in 5000 copies.

## **product visualization**

3D architectural designs of international exhibitions. Bottle design of 'Papriissimo' pepper sauce.

## **communication**

Having excellent client facing skills. Organizing production with partner agencies.

## **work experience:**
